

# MEMORIAL HOSPITAL

*Annual Report*  
**2023**

## Dear Friends,

What an amazing year for Clinch Memorial Hospital and for health services to our community! As Chair of the Clinch County Hospital Authority, I am sharing this information with you on behalf of the your Hospital Board members. I serve with Louis Cassotta, Kay Hinson, Beth Jones, Kaye Riley, Courtney Tolle, and Robert Varnedoe. The driving motivation for the Board is you - our citizens. We must always be moving toward better healthcare and better outcomes.

Toward that goal, Clinch Memorial has continued with our stellar care for our patients, but we have also been on the move in areas that you may not have seen. These projects and partnerships are critical to this hospital’s survival in the current economy, as well as to improved health for you and your family.

In this Annual Report, you can read about some of Clinch Memorial Hospital’s (CMH) bold plans and amazing successes:

- **CMH is one of only 8 hospitals in Georgia chosen to partner with Children’s Healthcare of Atlanta and Mercer University to improve pediatric healthcare in rural areas. Such an important need!**
- **CMH applied for and received an \$875,000 Rural Stabilization Grant, used for a new X-ray system and remodeled radiology space, new hospital beds, a new roof for the Health Department and additional upgrades there, and many other improvements.**
- **CMH has a huge construction project in progress that will address problems with moisture in walls due to original construction issues. We are also making some paint improvements as we go.**

- **Clinch County is blessed with some of the finest healthcare providers anywhere – doctors, physician’s assistants, nurses, specialized healthcare workers, and everyone who keeps our hospital and our doctors’ offices running!**
- **Our Pharmacy is your true local pharmacy. Your tax dollars helped to get it started, and it is now profitable as people continue to move their prescriptions to CMH. They provide home delivery 3 days per week, and all are welcome. That’s where I fill all of my prescriptions!**
- **Please see pages 5 and 6 of this report to see so many services that you may not have realized you can get locally – Respiratory Services, Labs, Radiology, the Daily Bread Café, Pulmonary, and so much more.**
- **The Clinch Memorial Hospital Foundation has a wonderful membership that is committed to the improvement of the Hospital through community and other financial support.**

**There is so much more! Just read the report for more about our hospital’s impact on our community.**

Clinch Memorial Hospital is not just surviving - - it is thriving!! Your continued use of our services shows your support of what we do, and your Board is committed to see that every year brings improvements in healthcare for all of you.

Ellice P. Martin, Chair  
Clinch Memorial Hospital Authority

## Clinch Memorial Hospital ABOUT US

### Our Staff

**81**

Employees Who Reside in Clinch County

**159**

Total Employees

*Clinch Memorial Hospital's employees go above and beyond for your local hospital. Through their desire to support others and their dedication to the mission, our employees give back to CMH through the Georgia HEART Tax Credit and T.E.A.M. (Together Employees Achieve More) Fund.*

### Georgia HEART

2023 Employee Contributions: \$117,866 - 49 Employees

CMH Employees can elect to redirect their Georgia State Income Taxes to our hospital through payroll deduct.

### T.E.A.M. Fund

2023 Contributions: \$9,118 - 73 Employees

Together Employees Achieve More (T.E.A.M.) program allows employees to contribution \$5 or more per pay period for improvement projects voted on by participating employees.

## Respiratory Services (912) 470-2536

*Therapies: oxygen, aerosol and nebulizer, Incentive Spirometry, Chest Physiotherapy, Airway Suctioning. Testing: Pulmonary Function Testing, Methacholine Challenge Testing, Holter Monitor, Arteriel Blood Gas Analysis, Sleep Study*

## Emergency Services (912) 470-2521

*The Emergency Room is for those with serious problems of an urgent nature. The Emergency Room is staffed by full-time providers who provide 24-hour care, seven days a week.*

## Laboratory Services (912) 470-2542

*Bacteriology, Clinical Chemistry and Immunology, Hematology, Immunohematology, Mycology I, Parasitology, Therapeutic Drug Testing, Transfusion Services, Toxicology, Urinalysis*

## Gastroenterology (912) 487-0965

*In addition to early detection of colorectal cancer and polyps, our GI experts provide testings, such as colonoscopy, evaluation, and treatment of many common digestive disorders including, but not limited to: Irritable Bowel Syndrome (IBS), Barrett's esophagus, Constipation, Hepatitis, Crohn's disease, Gallstones, and more.*

## Outpatient Rehabilitation (912) 470-2517

*Clinch Memorial Hospital is partnered with BenCura Rehabilitation to offer occupational, speech, and physical therapies five days a week. The highly trained team of therapists focus on restoring your strength, range of motion, and functional ambulation while managing your pain through state of the art treatment methods.*

## Radiology Services (912) 470-2594

*The Radiology Department provides Quality Medical Imaging services in a professional and timely manner. Services provided include Diagnostic Radiographic Exams (X-Rays), Computed Tomography (CT), Mammography and Ultrasonography.*

## Swing Bed Services (912) 470-2522

*Swing Bed helps patients transition from hospital to home with Physical Therapy and other skilled nursing services in a caring and comfortable environment. These services may be an appropriate option for after orthopedic surgery, trauma-related injury, stroke or brain injury, infection or disease requiring IV antibiotics, difficult wound healing, cardiac conditioning, and more. Our team meets regularly with the patient and their family to review progress and work towards the best outcome for the patient.*

## Dietary Our Daily Bread Cafe (912) 470-2598

*Clinch Memorial Hospital Dietary Service is dedicated to providing our patients with nutritious and delicious meals. We are also open to the public for breakfast and lunch every Monday through Friday. We have made-to-order menu options, our daily specials, and curbside pick up!*

## Pulmonary Rehabilitation (912) 470-2386

*Pulmonary Rehabilitation is for patients suffering from COPD or other lung problems who have difficulties performing daily tasks. Our team provides a comprehensive treatment plan using therapeutic therapy tailored to each patient. This supervised treatment plan helps ease the burden on your lungs. If you are interested in participating in these services, speak to your provider to receive a physician's request for these services.*

## Clinch Cancer Care (912) 470-2410

*A cancer diagnosis can be overwhelming. Between the cost of treatment and everyday living expenses, it can be difficult to stay afloat. Clinch Cancer Care is on a mission to alleviate patients from this financial burden. The program is designed to provide support to help meet basic needs and allow cancer patients in active treatment to focus on healing. A completed application and proof of treatment/diagnosis is required to receive funding.*

# Community Providers

Clinch Memorial Hospital values all physician and health care provider contributions to the health and well-being for the Clinch Community. Dr. Igor Ancor, Dr. Sam Cobarrubias, and Dr. Charles Semones have primary care practices in Homerville and all have hospital admitting privileges at Clinch Memorial. These providers meet monthly at a medical staff meeting to address hospital policy and work together as a team to meet the health needs of the community.

**Dr. Igor Ancor,  
Chief Medical  
Officer**

**Dr. Sam Cobarrubias**

**Dr. Charles Semones**

## Clinch Memorial Hospital selected by Children’s Healthcare of Atlanta (CHOA) and Mercer University School of Medicine for Rural Pediatric Readiness Initiative

On Wednesday, February 22, Gov. Brian Kemp announced a major initiative launched by Mercer University School of Medicine and Children’s Healthcare of Atlanta (CHOA) to improve pediatric health care in rural Georgia. Clinch Memorial was among the eight rural hospitals selected for the initiative’s pilot program.

The Rural Pediatric Readiness Initiative has afforded Clinch Memorial Hospital (CMH) the opportunity to purchase the necessary equipment to treat pediatric patients. Clinch Memorial Hospital has also “brought back” its former Director of Nursing, Cheryl Lee, to lead the initiative as the Pediatric Readiness Coordinator. Lee and others from the CMH nursing staff have visited CHOA to attend hands on training sessions. The partnership also provides CMH access to physicians at Children’s Healthcare of Atlanta in minutes through a “CHRP” Line. This is a direct line for rural providers to seek consultative support from Children’s Healthcare of Atlanta specialists and transfers for pediatric patients in need of specialized care.

*“We feel so fortunate and honored to be selected as a hospital in this project’s pilot program,” said CMH CEO, Angela Ammons. “Having a pediatric-ready emergency department in Clinch County will allow children from Southeast Georgia to have equal access to excellent pediatric care as children in urban areas of the state.”*

*"I decided to utilize Clinch Memorial Hospital's Swing Bed Services because I was at another facility and was not able to get off the ventilator. These services have improved my life 100%. The other facilities tried for a very, very long time to get me off the ventilator. Then I finally came here to Clinch Memorial and they were able to get me off the ventilator and well enough to finally go home to my family. I would 100% recommend these services to others.*

**- Ms. Scott | Swing Bed Services**

*"I was diagnosed with COPD about five months ago. Dr. Sam referred me to the Pulmonary Rehabilitation services at Clinch Memorial. It was very fortunate for me because I do not think these services are offered within a 100 mile radius of Clinch County. Robyn and Jade are the therapist and they are doing an excellent, excellent job. They keep me updated on my progress and are moving me up to the different levels of the three month program. I think it has been a successful program so far for me. I would recommend this to anyone with COPD. Though my case is mild, it has affected my life a lot. I would definitely recommend this to anyone with any stage of COPD and give this service a shot."*

**- Tom Barrett | Pulmonary Rehabilitation**

## FILL YOUR PRESCRIPTIONS AT OUR RETAIL PHARMACY

Monday - Friday: 8:00 AM - 6:00 PM  
Saturday - 8:00 AM - 2:00 PM  
(912) 470-2359

[www.clinchmh.org/pharmacy](http://www.clinchmh.org/pharmacy)

**Pharmacist,  
Theodore Vaggalis**

The Clinch Memorial Pharmacy is located inside of the hospital's facility and serves Clinch County and surrounding communities. Anyone can fulfill their prescriptions at Clinch Memorial Pharmacy, regardless of if they are a patient at Clinch Memorial Hospital or not.

Clinch Memorial Pharmacy benefits:

- FREE Delivery every Monday, Wednesday, and Friday
- Discounts on Medications
- Quick Refills
- Curbside Pick Up

The pharmacy qualifies for the 340B Drug Pricing Program. This program requires drug manufacturers to sell outpatient drugs at a discount to safety-net providers, such as CMH. For example, the same 10 ml vial of insulin that normally sells for about \$350 costs just \$2 to \$25 through the 340b program at Clinch Memorial for qualifying patients. Clinch Memorial Pharmacy also provides Meds-to-Beds services, a free service that offers education about medication and delivers prescriptions to patients. Inpatients and Emergency Room patients have the convenience of receiving their prescriptions before they leave the hospital.

**Clinch Memorial  
FAMILY PRACTICE**

*At Clinch Memorial Family Practice, our mission is to provide high-quality, compassionate medical care to our patients and their families. We value the concept of family medicine, a board-certified specialty which serves the physical, mental, and emotional health of the whole family. Clinch Memorial Family Practice is available for all your primary healthcare needs.*

**Dr. Igor Ancor**

**Heather Minshew,  
Family Nurse Practitioner**

## PRIMARY CARE

Chronic Care | Preventative Medicine | Vaccines | Annual Visits | Labs  
Nutrition | Sick Visits | Non-Emergency Care Visits | Health Education  
DOT Physical/Drug Screening | Weight Loss Management | Telehealth

## MASSAGE THERAPY

Deep Tissue | Neuromuscular | Pregnancy | Relaxation | Cupping

## HORMONE REPLACEMENT THERAPY

We are now offering Pellecome Hormone Replacement Therapy for those with low testosterone! Common symptoms of low testosterone include low libido, poor metabolism, poor muscle tone, decreased energy, weight gain, joint and muscle pain.

## HOURS

Monday - Wednesday:  
8:00 AM - 5:00 PM  
Thursday: 8:00 AM - 7:00 PM  
Friday: 8:00 AM - 1:00 PM

## CONTACT US

(912) 470-2273 (CARE)!

# FARGO CLINIC

## CLINCH MEMORIAL FAMILY PRACTICE

*Fargo Mayor, Roy Abbott, played an integral role in opening our clinic in Fargo. After several discussions with Mr. Abbott, Scott Griffin with Superior Pine, and support from the Oettmeier Foundation and Rural Hospital Stabilization Grant, the Fargo Clinic was no longer a dream, but a reality! After opening in March 2022, we now have 245 patients at the clinic and had 633 office visits this year. In addition to primary care, Clinch Memorial Pharmacy delivers medications to Fargo free of charge. Our Nurse Practitioner, Heather Minshew, takes great pride in serving the Fargo Community each week.*

## CONTACT US

Tuesday and Wednesday: 8:00 AM - 5:00 PM  
(912) 637-5170 | [www.clinchfamilypractice.org](http://www.clinchfamilypractice.org)  
117 GA Highway 94, Fargo, GA 31631

**THANK YOU**

to the Fargo Community for your continuous hospitality for our team!

## Our Community Paramedicine Provider

### Joshua Hale 10 Years Experience in Fire/EMS and a Heart to Help Others

*“We merely seek to meet you  
where you are on your  
healthcare journey, and  
bridge the gap between you  
and a healthy life.”*

Last year, the Southwest Georgia Area Health Education Center (SOWEGA-AHEC) was awarded \$1.3 million in grant funding from the U.S. Department of Health and Human Services Administration (HRSA). The funding is used to develop and implement the Southwest Georgia Community Paramedicine Program to address how limited access to primary care causes higher ER visits and readmissions of chronic and non-emergent patients. Clinch Memorial was selected to join the Southwest Georgia Community Paramedicine Network to receiving a portion of the grant funding to implement a Community Paramedicine Program. Year One focused on recruiting and orienting a Community Paramedicine Employee. Clinch Memorial is excited to have Joshua Hale join the team as a Community Paramedicine Provider.

Patients enrolled in the program benefit from:

- Healthcare Navigation and Advocacy
- In Home Assessments and Education
- Connections to Local Resources
- Medication Management
- Prescription Delivery as needed
- Primary Care Appointment Assistance
- Transportation Acquisition if needed
- Mental Health Follow Up as needed post ER Visit

Qualifying conditions include but are not limited to, Congestive Heart Failure, COPD, Diabetes, Hypertension, Hypertension, Sickle Cell, and Cancer. For more information or to enroll yourself or a loved one, call (912) 470-2592 or (912) 520-2013. There are NO direct costs to patients for these services.

## LOCAL SCHOOL SYSTEM

### Produce Giveaway at Open House

Clinch Memorial Hospital was invited to attend Clinch County Elementary/Middle School's Open House. As a result of the mobile food market, Clinch Memorial Hospital was able to donate bags of produce to 400 families in Clinch County!

### Pre-K Farm Day

The Clinch County Pre-K hosted a Farm Day to educate students on local agriculture. Clinch Memorial Hospital was brought the mobile food market to show students shopping for healthy foods can be fun! Each student received \$5 in paper fun money that was just enough to “purchase” a clamshell of grapes, two peaches, and two apples!

### Clinch Memorial Scholarship

Each year, Clinch Memorial Hospital awards one Clinch County High School student a \$1,000 Scholarship to further their education in healthcare. Eli Cason was selected for the scholarship to pursue a careers in Physical Therapy.

### Clinch County High School Career Fair

Clinch Memorial Hospital attended Clinch County High School's annual Career Fair. Students from each grade were encouraged to ask questions regarding the various positions at Clinch Memorial. Many students were unaware of the number of positions at Clinch Memorial that are not clinical!

### Clinch County High School Athletics

Clinch Memorial Hospital worked with local businesses to purchase a new “bust through” banner for the CCHS athletic teams. CMH also sponsored a lunch for the CCHS Band of Pride this football season! Go Panthers!

# IN OUR DNA

## COMMUNITY RELATIONS

### *BEYOND THE PATIENT EXAM,*

what does it mean to connect with our community? Angela Ammons, Chief Executive Officer, knows that outreach at a grassroots level is key. "Instead of asking the community to come to our facility, we found that our efforts are more effective by taking our services to the community," she says. "We are visible at community events because our community needs to know that we are here, around every corner."

### Community Education Sessions

Since 2022, Clinch Memorial Hospital has offered Community Education Sessions to educate the community on prevalent health and wellness issues. This year's topics include Breast Cancer Awareness, Hospice Planning, Hypertension, Diabetes, and Home and Self Defense. The classes are taught in the hospital cafeteria on the first Tuesday of the month. A light meal is included!

### Hands on Homerville

In October, the community gathered to put our 'Hands on Homerville' while we dedicated the morning to cleaning up the town! The CMH team was designated picking up litter. Special thanks to Laura Nipper from Homerville Main Street and Pastor Joseph Carter from Homerville United Methodist Church for planning this awesome event!

### CMH Trunk or Treat

Clinch Memorial Hospital hosted its 6th Annual Trunk or Treat this year! The theme was "Under the Big Top" with carnival and circus clowns, gypsies, magicians, exotic animals, and more! We would especially like to thank Mauser Packaging Solutions for being a sponsor to help make this event possible!

# IN OUR DNA

## COMMUNITY RELATIONS

### Senior Citizen Center's Health Fair and Farmer's Market

The Clinch County Senior Citizen Center hosted a Health Fair and Farmers Market in June. Clinch Memorial Hospital and BenCura Rehabilitation joined in on the fun by educating the local senior citizens on the healthcare services available right here at HOME!

### 2Gen Career Fair in partnership with WorkSource Southern Georgia

In January, Clinch Memorial Hospital partnered with WorkSource Southern Georgia to host a "2Gen" Career Fair at the Homerville Depot. This career fair was open to students preparing for the workforce post-graduation, parents, and anyone interested in working at a local business.

### Clinch Memorial Christmas

In 2022, Clinch Memorial Hospital kicked off its first annual "Clinch Memorial Christmas." During the month of December, each department's hand painted Christmas Cards and Christmas decorations are on display for the community to enjoy. This year, our staff did not disappoint with another beautiful holiday attraction!

### Kim Lupo Ratliff graduates Clinch Leadership Academy

Homerville native Kim Lupo, now Kim Ratliff, joined the CMH Family in 2021 as our senior staff accountant. Kim was selected to participate in the Clinch County Chamber of Commerce "Clinch Leadership Academy." The academy provides education on leadership, economic development, and all of the great things that make Clinch County special!

# RURAL HOSPITAL *Stabilization Grant*

## 2023 Hospital Construction Funded by USDA Loan

Clinch Memorial Hospital is underway in its largest construction project since the facility was built in 2007. This construction project addresses numerous deficiencies in the original construction. This includes severe moisture intrusion, grading issues, a new HVAC System, resizing doors, and more. Clinch Memorial Hospital received a \$4,789,000 loan from the United States Department of Agriculture (USDA) to rectify the issues within the hospital's exterior walls. The project is expected to be completed in February 2024.

The construction requires removing the facility's exterior walls. Throughout this process, Clinch Memorial's design team has approved new exterior colors to reflect Clinch Memorial's brand colors. See a sneak peak below, and be on the lookout for big changes coming soon!

SOUTH ELEVATION

EAST ELEVATION

Clinch Memorial Hospital was among eight rural hospitals to receive the Rural Hospital Stabilization Grant (RHSG) from the Georgia State Office of Rural Health. This highly competitive grant aims to maintain and protect fragile rural hospital infrastructure. The \$875,000 grant will fund the following equipment and projects:

- Purchase a new X-Ray System
  - The new system supports up to 650 lbs. instead of 450 lbs. and offers lower doses of radiation with increased image clarity.
- Purchase ten new hospital beds
  - CMH is replacing ten patient beds that have met their life expectancy, eliminating repair costs and supporting high-quality patient care.
- Fund a Patient Healing Garden
  - Grant dollars will build a courtyard, allowing patients that selected CMH for their rehabilitation journey to receive natural sunlight, take part in physical therapy outdoors and visit with families in a natural environment. Be on the lookout for information about brick pavers for purchase from the CMH Foundation to name in your honor or in honor or memory of a loved one!
- Replace the roof on the Clinch County Health Department (CCHD) Building
  - With funding, CMH has leveraged the Hub and Spoke Model framework to address the immediate needs of the CCHD. This will include replacing the roof on their facility, ensuring CCHD can continue offering OB-GYN services to women in the region, and freeing CCHD dollars to expand their market share.
- Fund technology upgrades and recruitment efforts
- Pay off a Small Business Administration (SBA) Loan from COVID-19 Pandemic

*Patient Healing Garden  
Rendering*

*New X-Ray  
Equipment*

*Construction on  
CCHD Roof*

# CLINCH MEMORIAL FOUNDATION 2023 Highlights

The Clinch Memorial Foundation was established to support CMH with the purchase of equipment, essential supplies, and new service lines, ensuring the most quality healthcare is provided to the community for future generations. The Clinch Memorial Foundation welcomes corporate, professional, and individual support to further the mission and vision of the hospital. Giving opportunities include unrestricted annual gifts, gifts of stock, real estate or personal property. The Foundation was revitalized in 2022 and had a strong year in 2023 with contributions and exciting dedications.

## 2023 Disco in DuPont

The Foundation's Annual Gift Committee (pictured to the left) hosted a "Disco in DuPont" inviting the community to purchase tickets for a night of funky moves and great tunes! Through sponsorships and ticket sales, the Foundation raised over \$16,000 to purchase new technology at CMH! Stay tuned for ticket sales for next year's event fundraiser!

## Hospital Chapel Dedication and Renovations

The CMH Foundation received a contribution from Kay Sessoms Hinson and Dotty Sessoms Porter to refurbish the hospital's chapel. The contribution allowed for the refurbishment of a kneeling bench, bible, pew cushions, new flooring and paint. The chapel now offers an environment for peace, reflection, and encouragement for patients, families, and staff.

## Swing Bed Services Named in Honor of Jane Helms

Through a Georgia HEART Tax Credit Contribution, the Lee Family dedicated Clinch Memorial Hospital's Swing Bed Services in honor of Ms. Jane Helms. Ms. Helms has always been a proud supporter of CMH's Swing Bed Services and has oftentimes referred to CMH as the "Clinch Ritz Carlton!"

The Foundation was pleased to host a dedication ceremony while unveiling a plaque on the med-surge floor in Ms. Janes honor. Through the Foundation, contributions of a certain dollar amount qualify for naming opportunities within the facility.

# GEORGIA HAS A HEART FOR CLINCH MEMORIAL HOSPITAL

Since its inception in 2017, Clinch Memorial has received \$2,275,739 from generous Georgians who donated to the HEART program, a rural hospital tax credit. This opportunity is made available through legislation that enables Georgia taxpayers to receive a state income tax credit for 100% of the amount they contribute to qualified hospital organizations. These funds are then re-invested into the facilities to enhance patient access and care.

For more information on Georgia HEART, or how you can be a part of helping our rural hospitals, call Lily Blitch, Foundation Director, at Clinch Memorial Hospital. This cost you nothing as you must pay state taxes anyway! Simply redirect your taxes from the state to Clinch Memorial Hospital and keep those tax dollars in Clinch County!

## 2023 GEORGIA HEART PARTICIPANTS... THANK YOU!

\$670,229 IN 2023 GEORGIA HEART DONATIONS

## *Hospital Auxiliary*

If you have been a visitor or patient at our hospital, you have probably seen these sweet ladies! They are members of our Hospital Auxiliary, also known as "Pink Ladies"!

The Hospital Auxiliary is composed of dedicated volunteers and are active partners in:

- Enhancing patient and family engagement
- Improving quality
- Providing peer-to-peer support
- Improving community health
- Promoting health and wellness

If you are interested in supporting our local hospital through volunteer engagement, please contact our Human Resources Department at (912) 470-2411. Our Pink Ladies would love to have you join their team in offering meaningful support to our staff and hospital!

In July, Mrs. Kathern Buckhaults received an Auxiliary Pin to honor her 3,000 hours of service to Clinch Memorial Hospital! She has volunteered at CMH for over 30 years! We are so grateful for Mrs. Buckhaults and thank each and every one of our Hospital Auxiliary members for the support they offer to our patient care staff and for putting a smile on our patient's faces!

# THANK YOU THANK YOU THANK YOU

**On behalf of the Clinch Memorial Hospital staff,**

we would like to thank each of our community members for supporting CMH. With this 2023 Annual Report, we hope you have a better understanding of the services we provide, opportunities to support us, and the positive economic and community impact your hospital has on Clinch County! We are proud to serve this community with the best healthcare services right here at HOME!

## WE WANT TO HEAR FROM YOU!

**Tell us what you think about Clinch Memorial Hospital!**

Hospital leaders are curious about what you think about the hospital and its related facilities and services. We also would like to know more about your healthcare habits. Please take our quick, easy survey to help us become better providers for you. The survey takes approximately 5 minutes and is completely anonymous. Scan the QR code above to access the survey. If you would like a physical copy, please contact our Public Relations Director at (912) 470-2401.
