

Make History in Children's Health

*Build Something That's Never Been
Built Before*

Clinch Memorial Hospital, a progressive, community-focused Critical Access Hospital in rural South Georgia is seeking a visionary Pediatrician to establish and lead the first-ever pediatric practice in our county. This is more than a job, it's a rare opportunity to build a legacy and transform healthcare for generations of children.

The Opportunity

For the first time in our county's history, families will have access to dedicated pediatric care close to home. As our founding Pediatrician, you will:

- Establish and grow a new outpatient pediatric practice
- Design workflows and clinical protocols from the ground up
- Partner with family medicine providers and hospital leadership
- Shape preventive and population health strategies for local children
- Become the trusted pediatric voice in the community
- You won't just join a practice - you'll create one.

About Clinch Memorial Hospital

Our facility is a respected Critical Access Hospital serving a rural region in South Georgia. We are deeply committed to expanding access to care and improving health outcomes in underserved communities.

What We Offer

- Competitive base salary + productivity incentives
- Generous sign-on bonus

- Full relocation assistance
- Student loan repayment options
- Comprehensive benefits package (health, retirement, CME allowance)
- Marketing and operational support to launch the practice
- Modern clinic space with expansion capability

Why Rural South Georgia?

- Close-knit, welcoming community
- Lower cost of living
- Short drive to Florida beaches and Georgia's coastal destinations, including home to the Okefenokee Swamp
- Excellent outdoor recreation (hunting, fishing, boating)
- Opportunity to make a measurable, lasting impact

Who We're Looking For

- Board Certified/Board Eligible in Pediatrics
- Passion for rural medicine and community engagement
- Entrepreneurial spirit with a desire to build and lead
- Commitment to compassionate, patient-centered care

If you have ever dreamed of building something meaningful, of knowing every child you care for, of shaping healthcare where it's needed most - this is your moment.

Be the Pediatrician who changed a county forever. **Connect with Angela Handley, CEO, to discuss the opportunity at ahandley@clinchmh.org or 912-470-2348.**

ABOUT THE COMMUNITY

Tucked away in the heart of South Georgia, Clinch County offers something that's becoming harder and harder to find. It's a close-knit community, a slower pace of life, and access to some of the most beautiful landscapes in the Southeast.

Small-Town Living with Big Outdoor Adventures

Clinch County is just minutes away is the world-famous Okefenokee Swamp, one of the largest and most pristine blackwater wetlands in North America. Residents enjoy kayaking, fishing, birdwatching, and exploring miles of natural beauty year-round. Golfers can spend an afternoon at the relaxed and scenic Fargo Golf Course, while weekend getaways to the Georgia coast are just a short drive away, with the beaches of St. Simons Island, Jekyll Island, and Amelia Island within easy reach.

A Community That Feels Like Family

Clinch County is the kind of place where neighbors know one another, where people show up for each other, and where your work truly makes a difference. Life in Clinch County centers around strong community traditions. Local pride runs deep, especially when it comes to athletics at Clinch County High School, where the Friday night football team and other sports bring the community together year after year.

The Charming Downtown

Downtown Homerville features local shops and businesses that give the community its unique character. With affordable living, short commutes, and a supportive community atmosphere, Clinch County offers the opportunity to build meaningful relationships while enjoying an exceptional quality of life.
